The main maximum flood extent and situational information for Pakistan/Sindh as of 5 September 2010. Authorities in Thatta reported on 3 September that an estimated 850,000 people have been evacuated or displaced within and from the district since the flooding began. Thatta, Sujawal, Mirpur Bathoro and Jati Tehsils were worst affected. A major breach occurred at Sarjani on 26 August; the town of Sujawal is still under water. Floodwaters entered Jati town on 2 September and are now reported to be advancing on Golarchi in neighboring Badin district. The town of Sujawal is still under water. A major breach occurred at Thori in Kashmore in early August. Water levels in Hamal Lake have reached dangerous levels, threatening Dadu, Warah, Wagan and Larkana towns.

Mehar: Dadu district authorities issued a final evacuation warning for approximately 400,000 people in Mehar and surrounding areas on 4 September. UAE LO CH ISTAN PAKISTAN / SINDH: Kalat
