MapAction is grateful for the support of DFID

The PAHO database on Haiti Medical and Health facilities provides each record with the unique ID 'HealthC_ID' (labelled in map e.g. **9119003**, **5435007**). For further information on facilities please see the PAHO database.

The database also provides a download facility for a Google Earth kml file (enables view of data in Google Earth) updated in line with the master dataset.
